

How To Outsource

1. Sign Up to any outsourcing website e.g. Upwork.com
2. Follow the steps below on how you're going to post a job on Upwork.com

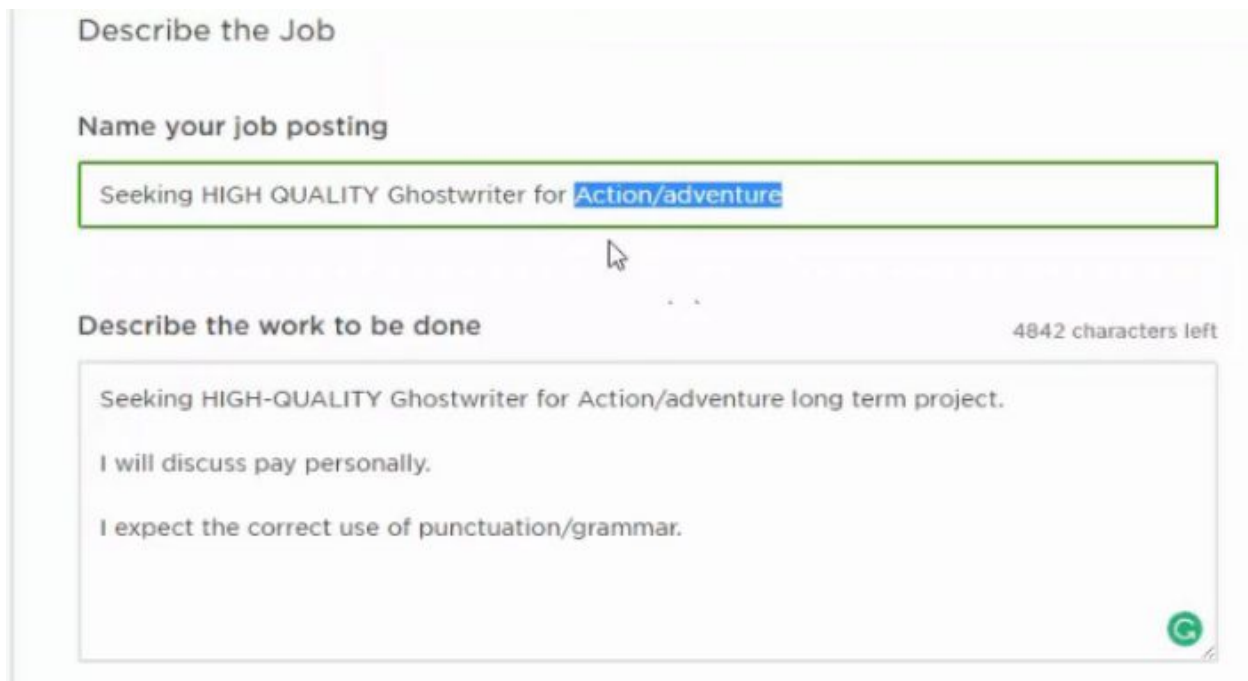

Step# 1: Click/view "JOBS"

Step#2: Post what you're looking for e.g. writer (just fill up all the information required)

See the sample of job information below:

The image shows a screenshot of a job posting form. At the top, there is a section titled "Describe the Job" with a sub-header "Name your job posting". Below this is a text input field containing the text "Seeking HIGH QUALITY Ghostwriter for Action/adventure". A mouse cursor is positioned below this field. Below the input field is a section titled "Describe the work to be done" with a character count "4842 characters left". The text area contains three lines of sample text: "Seeking HIGH-QUALITY Ghostwriter for Action/adventure long term project.", "I will discuss pay personally.", and "I expect the correct use of punctuation/grammar." A green circular icon with a white 'G' is visible in the bottom right corner of the text area.

Describe the Job

Name your job posting
